DETAILED ACTION

1. The instant application has been revived by decision of a petition mailed to applicants dated Jan. 15, 2005. Amendment and response filed by applicants dated July 15, 2004 have been entered and considered carefully.

Claims 1-19 are pending.

2. The rejection of claims 1-2, 11-19 under 35 USC 102(f) or (g) over WO 01/46142 or WO 01/46143 is dropped in view of applicants verification that there was no national stage filed for the two WO patent in the US.

3. The rejection of claims 1-2, 11-19 under the judicially created doctrine of obvious type double patenting over claim 16 of US 6,465,453 is maintained for reason of record.

No terminal disclaimer was filed.

4. The rejection of claims 1-19 under 35 USC 103(a) over US 6,353,008, or 6,436,964 of 6,465,453 is maintained for reasons of record.

Applicants filed an affidavit under 37 CFR 1.132 declaring that the names of applicants who are the inventor for this application. This is a duplicate of the oath for which the inventors of the instant application was claimed. Because the issued US patents ('008, '964, '453) have at least one common inventor, applicants need to submit verification under oath that the instant application/invention were, at the time the invention was made, owned by the same person i.e. commonly owned or subject to an obligation of assignment to the same person i.e. a 103(c) condition.

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 1625

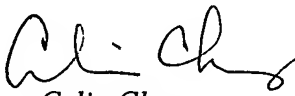

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
